Academic Advising

At the time of admission, the Director of Admissions provides academic advisement. Students are given a Course Checklist showing what courses are needed to graduate and what courses may have been transferred in from other institutions. Each student is assigned an advisor by the Registrar. Academic Advisors help with course choice, scheduling, planning and general academic direction. The Admissions Office, Academic Dean, and Program Directors also provide general academic advisement as well as career advisement and direction.

Financial Advising

- a. The Business Office does regular financial counsel and advisement.
- b. The Financial Aid Director does regular financial aid advisement.

Program Checklist

After acceptance, the student receives the appropriate Program Checklist. A Program Checklist is the list of courses required for each degree program. Understanding its usefulness is basic in planning and fulfilling an ordered program of studies. Students are required to maintain their updated Program Checklist throughout their degree program. It reflects the total hours and courses required for the degree as well as any transferred credits.

Course Registration

Prior to the beginning of each semester, students are required to complete the registration process online through Populi. No person is registered until all tuition and appropriate fees are paid. Specific dates are assigned for registration each semester. Students registering for classes after the deadline must pay a Late Registration Fee. No student may register after the second week of class. The Seminary limits the total number of credits a student may register for in any given semester to a maximum of eighteen semester credit hours (a total of six, three credit courses).

Add/Drop Procedures

It is the student's responsibility to add or drop courses during the add/drop period. Adding or dropping courses is done through the Course Add/Drop Form available through the Files link at the top left corner of any page in Populi. No classes may be added after the second week of class. When a student drops a course, FTS will follow

the Refund Policy. To drop a course after the add/drop period, students must follow the Course Withdrawal procedure. Failure to attend class does not constitute a drop.

Course Cancellations

FTS will notify students at least one week before a class begins if the course is to be canceled. No late fee will be charged to replace the canceled course with another course. Students will be allowed to register for another course within one week. If no replacement course is chosen, the tuition for the canceled course will be refunded. Textbook refunds are the student's sole responsibility.

Course Withdrawal

The student is responsible to complete a Course Withdrawal Form in order to withdraw from a course after the add/drop period has ended. The Course Withdrawal Form is available through the Files link at the top left corner of any page in Populi. It must be signed by the Professor as either Withdraw Passing (WP) or Withdraw Failing (WF) and signed by the Registrar and the Business Manager. Failure to comply with this requirement may impact a student's Financial Aid, tuition refund, and GPA.

Transcript Requests

The student may order transcripts by using the Transcript Request Form on the FTS website in the Student Services tab or through the Files link at the top left corner of any page in Populi. A completed Transcript Request Form must be submitted to the Business Office with the request fee. After the fee is received, the Business Office will forward the request to the Registrar for processing. There is a seven day turn-around time after transcripts are requested and the fee is paid.

Students may request two types of transcripts, official and unofficial. Transcripts will be provided for a fee of \$10 per copy.

Transcripts are released only to the student or to another institution at the student's written request through a Transcript Request Form. Official transcripts must remain sealed in the envelope to be considered official.
