Audit Students do not receive academic credit. Auditors may attend class lectures, but are not typically permitted to participate in class discussions, ask questions, or submit assignments for grading, except under special circumstances and at the Professor's discretion. Unless the Professor stipulates that Audit Student participation is allowed in their class, it is understood that the restriction for Audit Students on class discussions, questions, or assignments will prevail.

A student requesting Audit Student status must submit an Application for Admission along with a copy of valid photo ID. The Application does not require references or transcripts.
